TUBE and PIPE

At EMJ our philosophy is simple...whatever your tube and pipe needs are, we'll deliver, anytime, anywhere. Our unsurpassed inventory and our equally impressive processing services make EMJ the logical choice for all of your tube and pipe needs.

Choose from a comprehensive offering of processing services to compliment and add value to your steel products: saw cutting, laser tube cutting, micro-honing, trepanning from solid bar, cold saw, laser tube straightening, skiving, pull bore & hone, and tube bending.

For service that never stops, call your local EMJ materials specialist.

In stock for immediate delivery, or custom mill runs:

MECHANICAL & FLUID POWER

Carbon

CD/HF Seamless, D.O.M, Welded C.R.E.W/H.R.E.W/A.K.D.Q, Micro Honed ID, Special Smooth ID

1018, 1020, 1026, A106B, ST52.3 OD ½" - 24" (3 mm - 610 mm)

Wall .0204" - 3" (.0394 mm - 76 mm)

Pressure Tube, Hydraulic Line, Pipe, and H.S.S. Structurals

A254, A53B, A106B, A500 (Grades A, B and C), J356, J524, J525

OD ½" - 24" (3 mm - 610 mm)

Wall .035" - .625" (1 mm - 16 mm)

Alloy Tube

D.O.M. HF/CD Seamless Mechanical Tubing

4130, 4140 (Annealed, P110, L80), 4340, 8620, 52100

OD .188" - 20" (5 mm - 508 mm) Wall .028" - 3" (.75 mm - 73 mm)

ALUMINUM

Drawn, Extruded, Seamless, Air Cylinder Quality Tubing - Hard Coat Anodized ID, and Structurals

1100, 2024, 3003, 5052, 5086, 6061, 6063, 7075

OD ½" - 16" (3 mm - 406 mm)

Wall .020" - 2" (1 mm - 51 mm)

Extruded, and Seamless Pipe 6061-T6, Sched 5 to Sched 160

STAINLESS

Welded, Ornamental, Air Cylinder Quality, Seamless, Drawn, Extruded Tube, Holobar, Structural H.S.S.

304, 304L, 316, 316L, 321,

347 OD ½" - ½" (1 mm - 406 mm)

Wall .006" - 1.500" (.15 mm - 38 mm)...available in

Mill finish and/or Polished

Welded, Seamless Pipe

304, 304L, 316, 316L, 321,

Alloy 20, OD ¾" - 16" (10 mm - 406 mm)

Sched 10 to Sched 80

Other grades/sizes available on request including

Nickel Alloys

Other Specialty Tube & Hollows In Stock and Upon Request

Metric OD/ID/Wall, 660 Bearing & 954 Aluminum Bronze

Holobars, Cast Iron/Ductile Iron Holobars, Nitro Tube,

Boiler Tube, Chrome OD/ID, J527 Brazed Double Wall,

Hydraulic Zinc Di Chromate, 4130 Cond N Streamline/

Airframe AQ Tubing
